

SOFTSKILLS

Passionate and self-taught in computer since my 8, I have gained a wealth of experience in this field through both my formal education and my professional focus.

I am eager to join a team and contribute my perseverance, teamwork mindset, and problem-solving skills.

SKILLS

- ArchLinux / Bash
- Java / Kotlin / SQL / Python
- HTML / CSS
- Git / Hibernate
- JavaScript / Ajax
- Angular / Typescript
- Docker / Kubernetes
